

Fellow Golf Enthusiasts:

Thank you for your interest in becoming a member of Hannastown Golf Club.

We believe Hannastown is the best value for private golf in the area. The Club has hosted a wide variety of USGA, WPGA, state and regional tournaments, a testament to the consistent quality and conditioning of the golf course. With multiple tee boxes, Hannastown plays enjoyably for all golfers, including juniors and those just picking up the game.

You can choose from affordably priced golf memberships for Families, Individuals and Juniors. Hannastown has recently installed a new driving range with grass tees for those members looking to improve their games. The full-length range also provides the opportunity for individual or group lessons. The Club a member of the Tri-County Golf Association, a group of area private clubs that provide reciprocal playing privileges to club members. This benefit provides convenient access to other great courses throughout the area!

Golf is at the center of all activities at Hannastown. Optional weekly, handicapped-based tournament events provide competition for those looking for 'a game', and a wide variety of special events mix golf and social opportunities for all members. Hannastown also has a reputation for being the ideal place to bring family, friends or business associates for an enjoyable day of golf and relaxation.
